

FUNDING MEMO INSTRUCTIONS

Each NOAA Office that provides funding to a Cooperative Institute (CI), hereafter referred to as the NOAA sponsor, must complete this CI Funding Memorandum. This memorandum ensures that each proposal has been reviewed by an appropriate NOAA employee and found satisfactory for funding. It also provides the Federal Program Officer (FPO) at the Line Office with additional information that is necessary to process an award amendment through Grants Online (GOL) as well as track CI funding by NOAA Goal/Program and/or Enterprise-wide Objectives.

NOAA sponsors should refer to the CI proposal's Cover Letter, as well as the Form SF424 (found in the application) to verify the information that is included in the CI Funding Memorandum.

Once Memorandum is completed, please digitally sign or scan a signed version into a PDF and e-mail it to the appropriate NOAA contact people listed below. If you are unable to do this, please ask the NOAA contact person for a fax number to use:
